Empowering the Funders Collaborative to bring together philanthropy and public funders with the goal of ensuring that all housing and service needs are addressed.

Implementing a Coordinated Entry System that ensures people are more efficiently matched with the housing and services that will address their specific needs.

Working with policy makers and community advocates to ensure that the needs of homeless people are addressed.

Using the Standards of Excellence (community best practices) and data to ensure homeless people are supported and housed effectively and humanely.

Everyone is Home For Good

Efficient Service Delivery

Sufficient Resources

Public and Political Will

Excellence in Quality

Together we have...

Permanently housed over 30,000 Angelenos

Invested $34M in private funds & aligned $966M in public resources

Engaged over 75K community members through HomeWalk

TOGETHER WE CAN END HOMELESSNESS
